

Animal Alliance Pledge

AnimalAlliancePledge.org

Plant based for the animals, the planet, and each other.

The Animal Alliance Pledge (AAP) exists to promote peace towards all living beings, and to demonstrate how showing kindness towards animals is an act of kindness to ourselves. We believe that animals are not commodities, resources, or property. Humanity's domination of the natural world has grave consequences not only for the animals, but also for the health of our planet.

We adopt a non-judgmental, education driven approach in our mission to promote animal welfare. Action is necessary to protect animal rights, our environment, and our own health, and AAP provides visualizations and clear summaries to help raise consciousness about the impact of our current diets and a path towards a kinder and more sustainable world.
